

# BRZ™ Floor Clean & Deodorizer

Workshops, Garages, & Basements

## 100% Clinoptilolite mineral

### WORKSHOPS & GARAGES

- Absorbs solvents, oils, and fluids and the odors they generate

### BASEMENTS

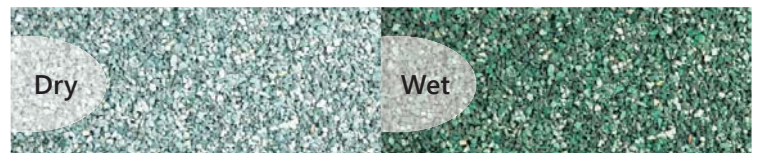

- Sewage back up odor
- Absorbs moisture to inhibit the development of mold and mildew
- ✓ Can be dried and reused

<b>Packaging</b>	25 lb/11.34 kg Poly Handle Bags
<b>Particle Size</b>	-14 + 40 mesh

**SPILLS:** Apply BRZ™ Floor Clean & Deodorizer heavy enough to completely cover the spill. Allow the product to remain on the spill until solvent, fluid, or oil is absorbed. Sweep, shovel or vacuum used Floor Clean & Deodorizer, depending on the spill type, and dispose according to an appropriate method for the substance.

**CARPETS:** Moisten the entire carpet and sprinkle BRZ™ Floor Clean & Deodorizer to cover the top of the carpet. Allow the product to adsorb odors for at least one day before vacuuming.

Keep Floor Clean & Deodorizer on hand for emergency situations, such as sewage back up.

**BRZ™ Floor Clean & Deodorizer** absorbs up to 55% of its weight in water like a sponge. Urine absorption changes the color to dark green.

### People and Pet Safe

- NON-TOXIC
- Non-carcinogenic
- A natural mineral that won't irritate or burn

## Environmentally friendly 100% Natural Clinoptilolite

**No heavy metals or water soluble salt**

**California Proposition 65 compliant:** no crystalline silica

**GRAS Listed (Generally Regarded as Safe):** CFR Title 21, Sec. 182.2729
