BRZ™ ODOR ELIMINATOR

100% Clinoptilolite mineral

- Fragrance free deodorizer - Eliminates odors instead of covering them up
- Maintains a fresh smelling environment
- Reusable

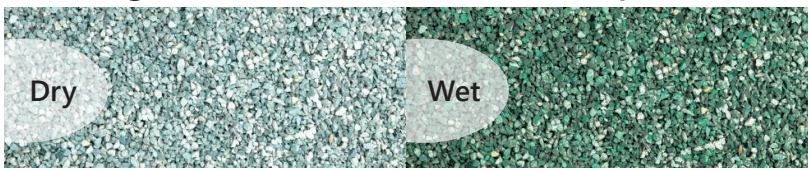

PET AND PEOPLE SAFE

- NON-TOXIC
- Non-carcinogenic
- A natural mineral that won't irritate or burn

Odor Eliminator can also be used to control moisture

- Hang in areas where moisture is a problem

BRZ™ Odor Eliminator absorbs up to 55% of its weight in water like a sponge, turning it dark green.

|----------------------|----------------------------|
| Packaging | 12 oz/0.34 kg PVC Mesh Bag |
| Particle Size | 1/2" x 1/4" |

Remove BRZ™ Odor Eliminator from plastic bag. Rinse with water to remove fine particles and dust. Use one bag for up to 400 square feet. BRZ™ Odor Eliminator has a negative charge and will attract and hold all odors with a positive charge. Rejuvenate BRZ™ Odor Eliminator twice a year or as needed by washing in 3% salt solution (5 Tablespoons of salt per quart of water).

Environmentally friendly 100% Natural Clinoptilolite

- No heavy metals or water soluble salt
- California Proposition 65 compliant: no crystalline silica
- GRAS Listed (Generally Regarded as Safe): CFR Title 21, Sec. 182.2729
