ALGAE EATER / MOISTURE ABSORBENT

- Helps remove algae by adsorbing nitrogen out of the water, eliminating their source of nourishment
- Bags can also be hung in areas with moisture problems

Put one bag per 30 gallons of water in your water feature, pond, fish pond, stock tank or any other place with an algae problem. Supplied in a heavy duty, poly mesh bag, with a metal grommet for hanging. One bag contains 32 oz. of BRZ™ -1/2+1/4 mesh clinoptilolite.

32 OZ Mesh Bag \$12.95 each

FLOOR CLEAN & DEODORIZER

- Absorbs solvents, fluids and oils and the odors they generate

Apply Floor Clean & Deodorizer heavy enough to completely cover the spill. Allow the product to remain on the spill until solvent, fluid, or oil is absorbed. Sweep, shovel or vacuum used Floor Clean & Deodorizer, depending on the spill type, and dispose according to an appropriate method for the substance. For carpets, moisten the entire carpet and sprinkle BRZ™ to cover the top of the carpet. Allow BRZ™ to adsorb odors for at least one day before vacuuming.

25 Lb Bag \$9.49 each

GRIZZLY GRIP

- Instant traction
- People and pet safe
- No harm to grass, gardens and trees
- Non-corrosive

Angular grains embed into the surface of ice. Grizzly Grip absorbs ice melt to prevent reformation. Fewer applications - does not dissolve.
